Double checking, I misspoke.

Dick Pederson's agency (Oregon Department of Environmental Quality) did submit comments (jointly with the relevant State land conservation agency, but not with the forestry agency).

Its long (76 pages), but most of it is an attachment.

Kevin,

I'm attaching the "proposed" decision document (the FR notice just announced its availability and that we were taking public comment on it), as well as comments submitted by the Oregon Forest Industries Council.

Thanks,

Steve
